Program Search Tool

The screenshot shows a web browser window displaying the Minnesota Department of Education website. The address bar shows the URL: <http://education.state.mn.us/MDE/EdExc/Liceny>. The page features a navigation menu with links for Home, Welcome to MDE, Just for Parents, Student Success, Educator Excellence, School Support, and Data Center. The breadcrumb trail indicates the current location: MDE > Educator Excellence > Licensing > Train to Become a Teacher in Minnesota. The main heading is "State Approved Teacher Preparation Programs Chart". The text on the page states: "As of October 2014 the 'State Approved Teacher and Administrator Preparation Programs' chart will no longer be posted online. The chart has been replaced by a new searchable system." It then provides instructions on how to find a list of colleges and universities that offer educator licensure programs, including a link to "Approved Licensure Programs". The page also includes a search bar and a print button.
