MACTE Minute - December 2017 Gratitude

With the New Year around the corner it is a time to reflect and share MACTE's sincere gratitude in working with the Minnesota Board of Teaching, and our enthusiasm to work with the new Professional Educator Licensing and Standards Board (PELSB).

We would like to thank you for the countless hours, days and years that you all have invested into the education field and the many lives that you have impacted. Your sincere dedication to make sure that all students are receiving the best education has been unwavering as well as your commitment to pursue creative change for the future. We are grateful for the collaboration MACTE has had with the Board of Teaching and Board staff to create effective communication, policies, and practices for professional educator standards, licensing, and program approval.

As we move toward the close of the calendar year we want to share our gratitude to the Board of Teaching. It has been a privilege and honor to be able to work with each and every one of you and we wish each of you the best for the future.

Thank you for your service and we look forward to working with the new PELS Board in the future.
